the first Bruin student body charlestoned into the Roaring Twenties. Radios and automobiles were glamorous, daring toys and Charles Lindberg was goggled for his famous non-stop flight across the Atlantic. Forty years later, we, the student body of 1966, live in an era of radar, space exploration, nuclear wars, Batman, and the Beatles.

Like those first students, each of us entered Wilson noticing only the physical aspects of the campus. We saw Wilson as a single unit — something separate from us as individuals. However, as the senior class has discovered and the junior and sophomore classes will discover, Wilson is not merely a grouping of physical facilities. It is rather the reflection of each individual who makes his mark in its history.

Forty years from now, when we recall 1966, we will remember more than somber school buildings. We will recall . . . pep assemblies . . . a climactic homecoming . . . red and gold madras

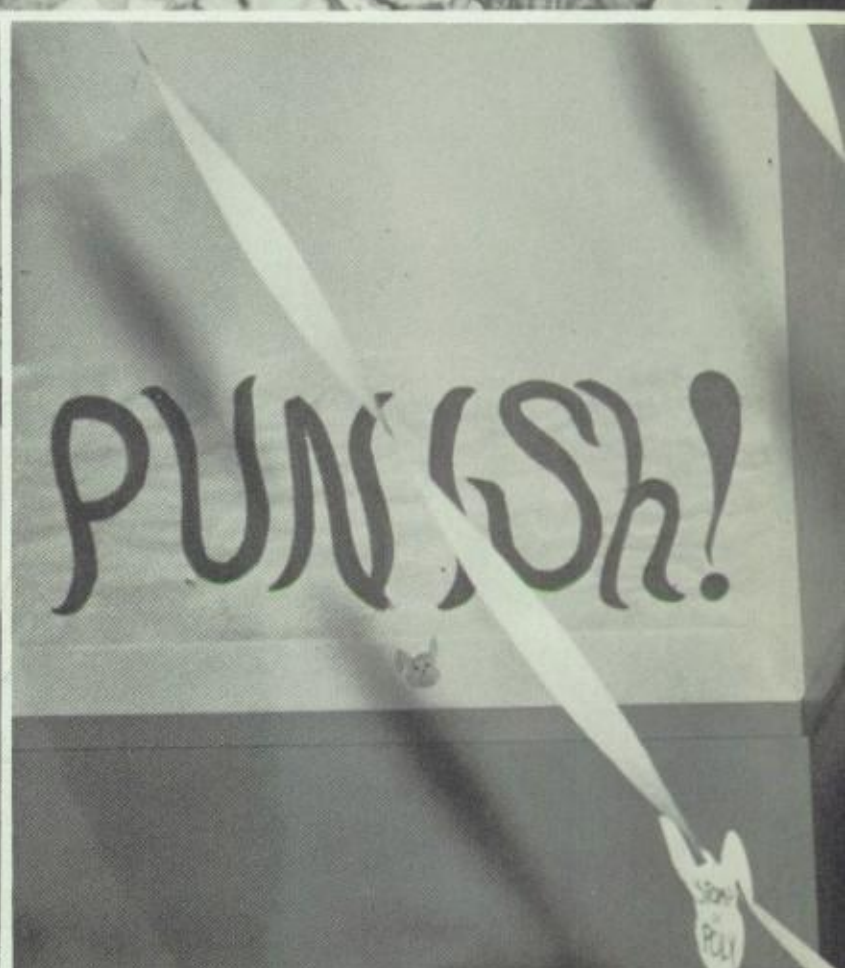

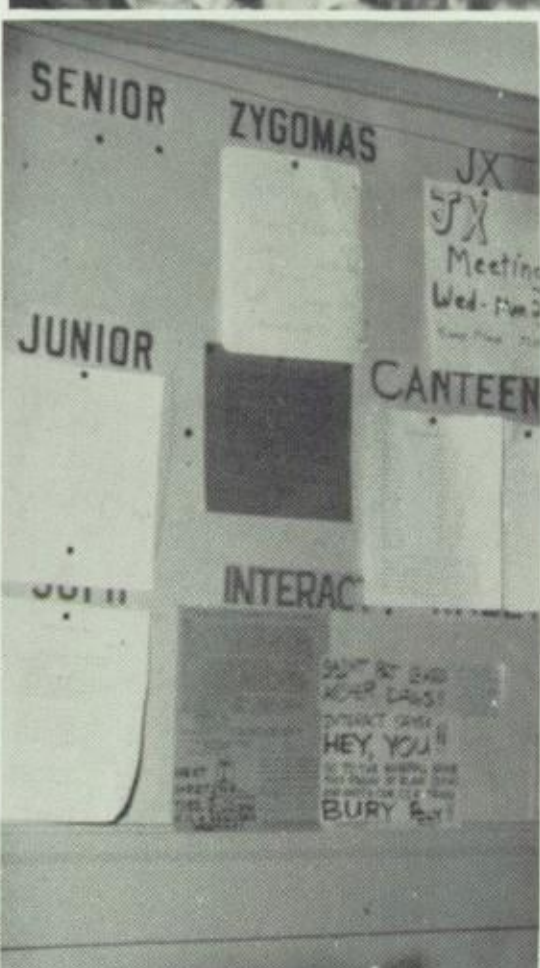

. . . Key Club's "Bat Trash" . . . Fight
Filth Campaign . . . great athletic teams
. . . the Poly game . . . the Redlands
game . . . the Millikan basketball game.
. . . CIF . . . Iron Man Trophy . . . lunch
and nutrition hangouts . . . the last year
of the Senior Triangle . . . the Chicago
Cubs . . . classes . . . clubs . . . "Wil-
sonia" . . . **Once Upon A Mattress** . . .
Ugly Legs . . . the friends we made . . .
and the many experiences we shared.
These fleeting memories are ours. They
belong to the class of 1966.

As individuals and as a student body,
we have excelled scholastically and
athletically. We have created a unique
school spirit, a tradition which the suc-
ceeding classes must continue. Thus,
in recognition of the campus which has
provided the background for four
decades of inspiration, we have chosen

LIFE BEGINS AT FORTY
as the theme of this year's CAMPANILE.

MR. GEORGE MEYERS

DEDICATION

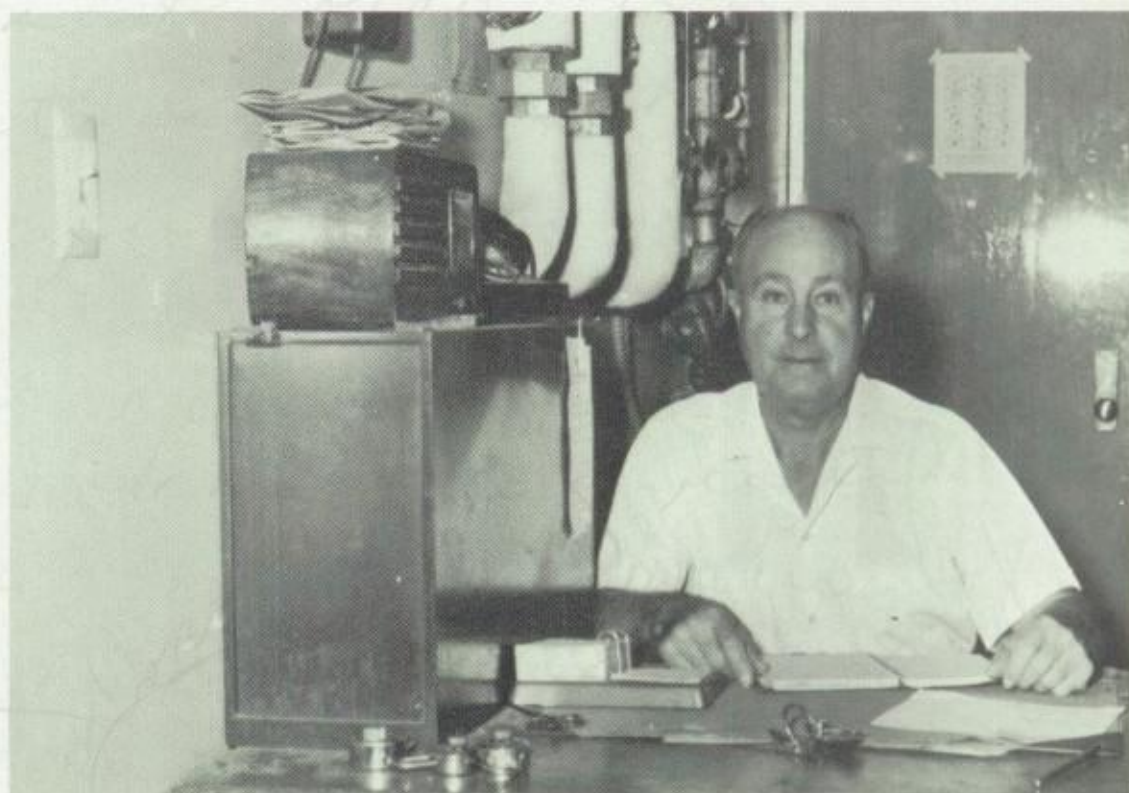

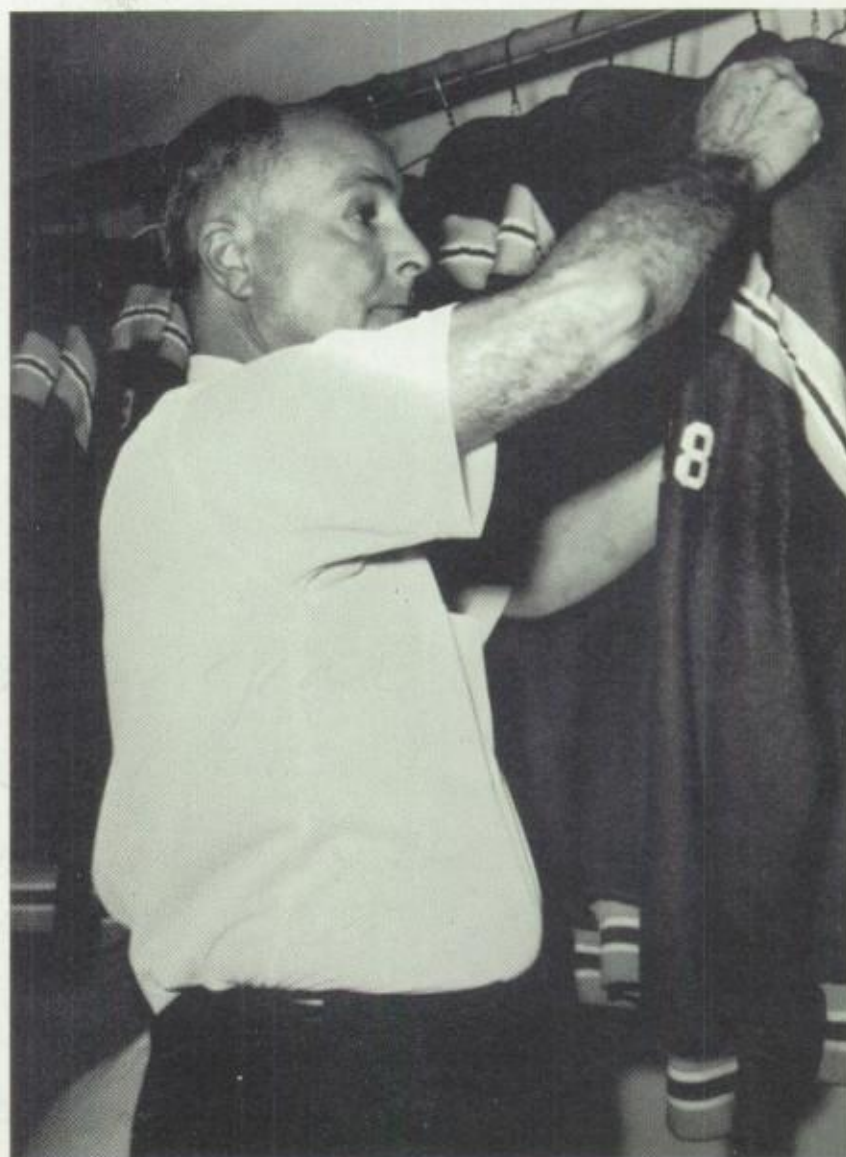

While this year signifies the beginning of a new era at Woodrow Wilson; it also marks the end of another. George Meyers, who has served our school for the past thirty-eight years, is retiring. Mr. Meyers has been a familiar figure behind the boy's gym "cage" and has been closely associated with our athletic program.

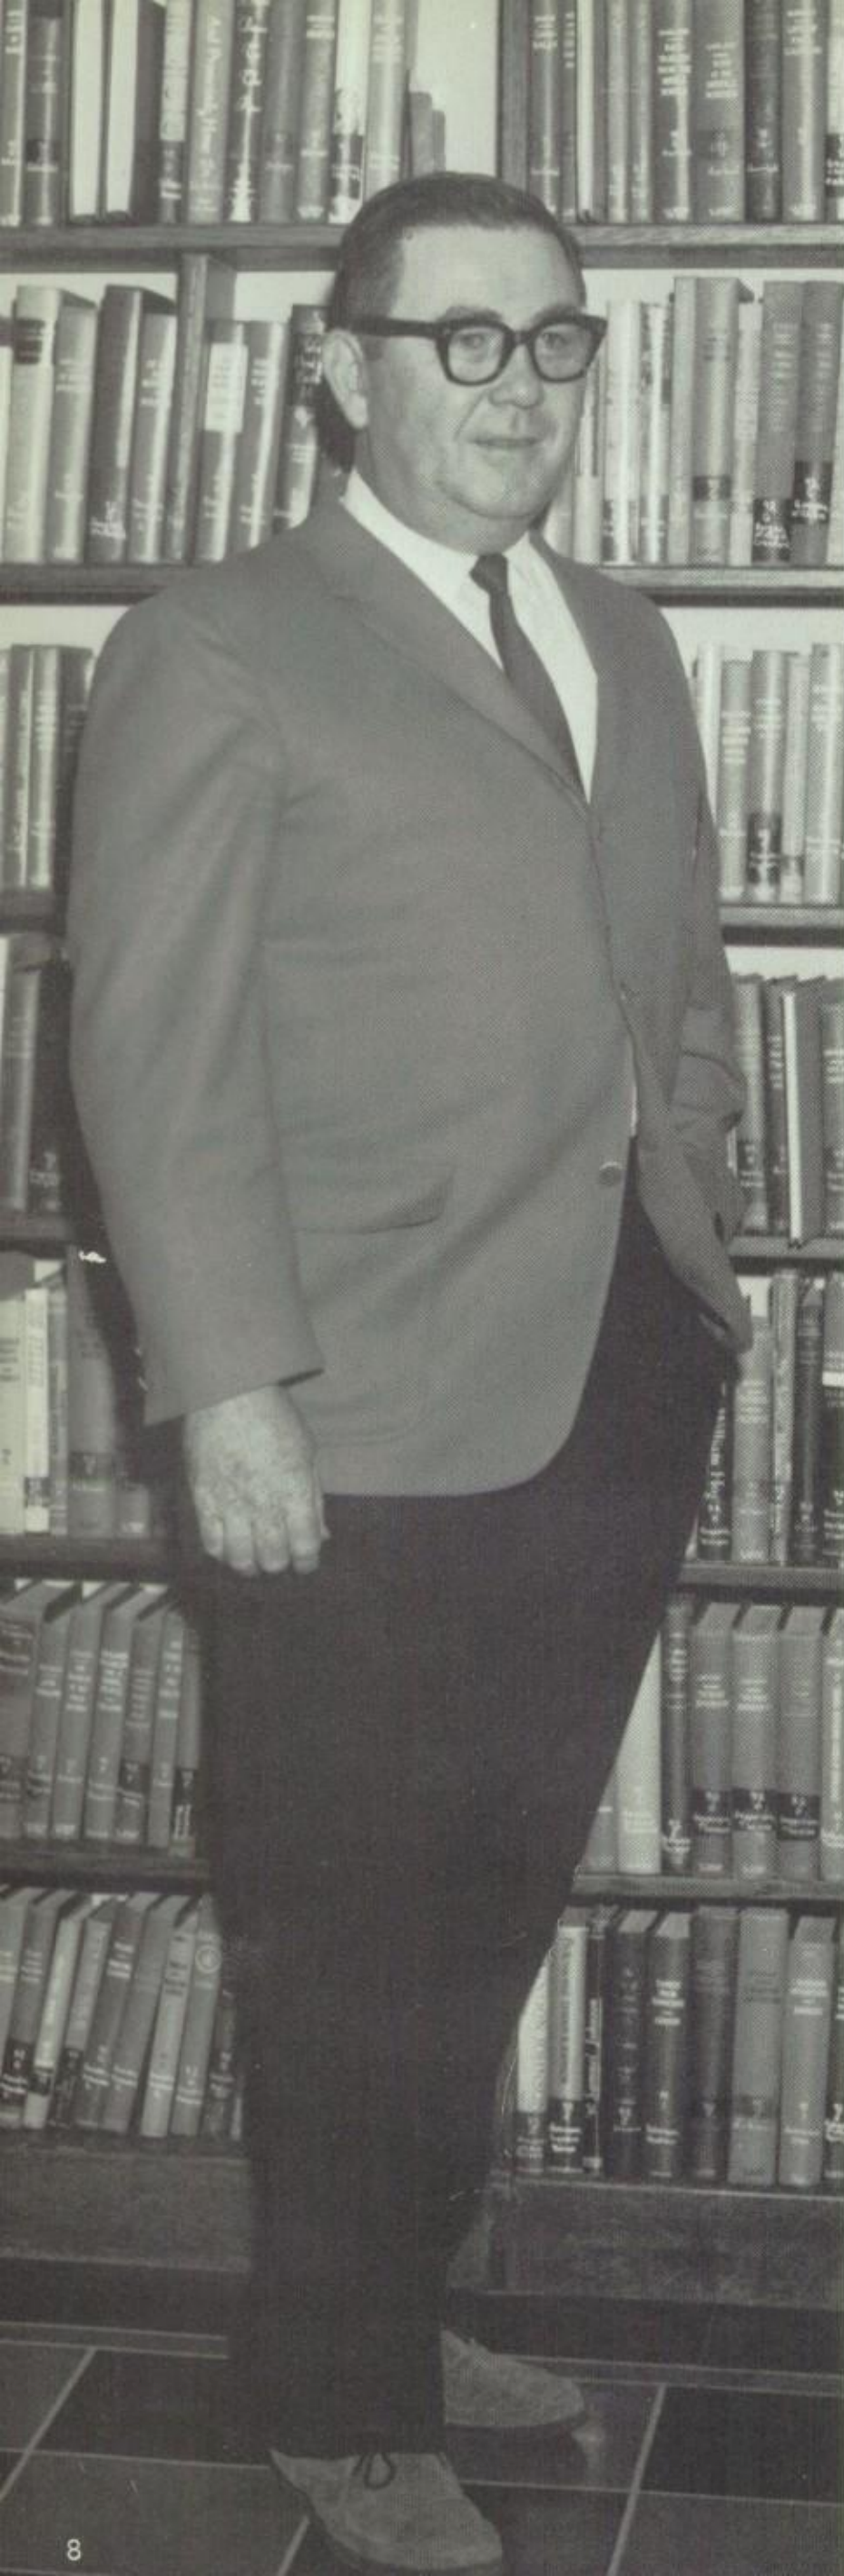

He has been the "man behind the scenes", who has been directly in charge of the athletic equipment and the boy's locker room.

He has won the admiration of generations of Wilson students and cheerfully maintains that he has "enjoyed working with youth, especially in the field of sports."

Thus, we are honoring Mr. Meyers for his long service to Wilson. He represents the men and women who are not involved directly with the classroom, but whose services are essential to a growing and improving school such as ours.

With this in mind, we the student body dedicate our 1966 CAMPANILE to Mr. George Meyers and wish him the best of luck in his retirement.

Dear faculty, students, friends:

Life may begin at forty, but when does real learning begin? Some think it odd to refer to the end of high school as "commencement." Others are quick to assume it is the end of learning and the beginning of life. However, it may be more accurate to think of commencement as the beginning of learning rather than the end.

Your formal schooling, through grade twelve, is designed to help you acquire basic skills, some knowledge of resources, and a desire to achieve real learning throughout the years ahead. It is obvious to those who plan to attend college that they will "commence" a new life of learning. It is just as certain that those who plan to enter the world of work will have to anticipate lifelong learning. Statistics from the United States Office of Labor reveal that nearly fifty per cent of the job titles existing today were unheard of twenty years ago, and that fifteen years from now over fifty per cent of our work force will be employed in occupations not yet invented.

Through twelfth grade you are learning how to learn. After commencement you must be ready to begin a lifetime of real learning. The day you stop learning is the day you start dying.

Sincerely yours,

Milton Sager

FALL

Under the guidance of Wayne Holland, Senior class president, Marsha Buehner, senior class vice president, and Steph Schug, senior class secretary, the 1965 fall senior class council accomplished many things. One highlight of the activities was decorating the patio for homecoming. Many novel ideas were brought to reality when council held a pickle sale, a fortune cookie sale, as well as a sucker sale and a candy cane sale. The council presented the school with an etching of Woodrow Wilson to hang in the principal's office and a donation of over a hundred dollars to the print shop for a much needed folding machine. Fall semester sponsors were Mr. Huffman and Mr. Cox.

CLASS COUNCIL

SPRING

The senior class of 1966 enjoyed an interesting and activity filled spring semester. The president of the class was Steve McKee, while Neil Nelson served as vice-president and Carol McDermid as secretary. The major purpose of the council was to plan and to coordinate all of the senior graduation activities. These included two all senior assemblies, the Senior Breakfast, Baccalaureate, and Commencement exercises. A car wash and a pickle sale rounded out the activities. The class of 1966 presented another plaque for the trophy case as a senior gift. The plaque will have the most valuable players for the ten sports inscribed on it, starting with 1965-1966 and extending for the next nineteen years. This semester's sponsor was Mr. Jack Huffman.

A black and white photograph of a large, mature tree with a thick trunk and dense foliage. The tree is the central focus, with its branches spreading out. In the background, a light-colored building with windows is visible, partially obscured by the tree's leaves. A wooden bench is also visible in the lower left foreground. The overall scene is a peaceful outdoor setting.

Dear Bruins,

This year at Wilson has truly been a great experience. I felt a little lost at the beginning but with the help of the teachers and students I was able to adjust. I enjoyed this year very much because I found understanding and respect here. All of these are very necessary to a foreign student.

Now, when the days are almost gone, I feel that I understand everything better. I found you friendly, frank and helpful to me; so for all these things I have received from you, I want to say thank you very much.

Be assured there will be people in Paraguay who will never forget you.

Yours truly,

Hi dear Bruins,

A year at Wilson, I am sure, is always very busy, but my year as an AFS student means something more than very busy. It is one of the most unforgettable and wonderful experiences of my life!

This year has been enriched with the help of you, the students, and I will be very happy to share it with the people of my country next year. You are one of the most important parts of my experience and I hope you will continue helping future exchange students in the same way that you have helped me.

I wish to be a friend of each of you.

Very sincerely yours,
Angela

CAMPUS CLUBS AS ALWAYS . . .

AFS

The American Field Service Club is organized for the sole purpose of encouraging an understanding among the peoples of the world. To accomplish this goal, A.F.S. annually sponsors one or more foreign exchange students on our campus, and sends one or more representatives to a selected foreign country. To raise the necessary funds, this club holds an annual stock sale each Fall and sells suckers throughout the year. Sponsoring this active organization is Mr. James Mitchell.

40th ANNIVERSARY STAFF

Editors-in-Chief: Jim Williamson, Susie Swanson, and Mike Hitt.

We, the editors of the 1966 CAMPANILE, now realize that creating a school annual requires far more effort than most people know. We became accustomed to long, hard hours of work and moments of utter frustration which tested temperaments and perseverance.

We have made every effort to record the history of the classes and reflect the people who are this fortieth Student Body of Woodrow Wilson Senior High. This CAMPANILE intends to mirror the genuine spirit of this year's outstanding academic and athletic accomplishments.

We, the editors, take great pride in presenting this yearbook to the students who have witnessed and made possible Wilson's fortieth birthday.

One of the traditions Wilson has established since its inception in 1926 is that of a winning football team, and 1965 was certainly no exception. Probably the best team in the school's forty years of existence this year's Bruin team was easily the class of the Moore League and one of the best prep football teams in Southern California. Under the excellent coaching staff of Mr. Dixon, Mr. Johnson, and Mr. Rowland, the Bruins broke many team and individual records while rolling to a 9-1-1 record. This was a team of depth and balance, a team with outstanding individual stars but with no weak links. The season had many highlights: Wilson defeated cross-town rival Poly 27-0 in the "big game", triumphed over Lakewood 24-7 to capture the Moore League crown, and Terry De Kraai became the first high school football player to win the Golden Helmet Award.

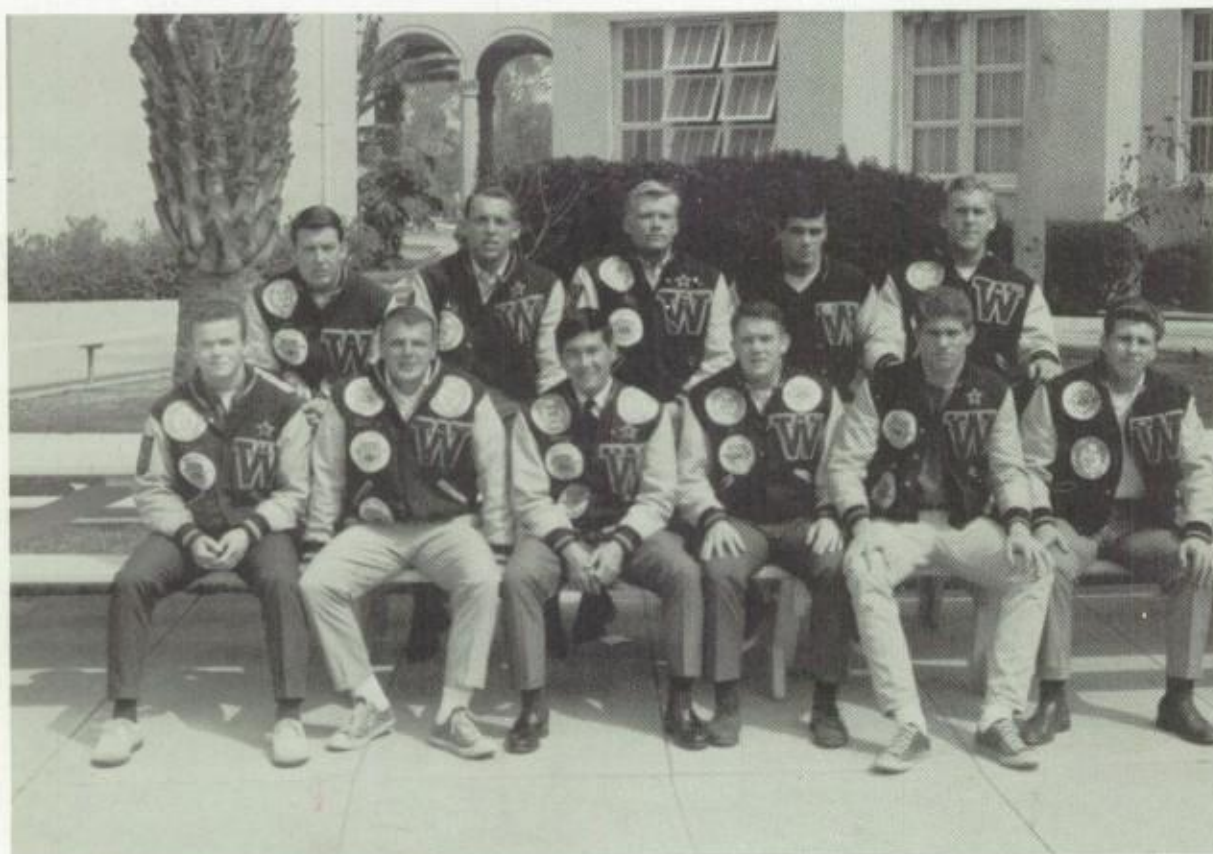

Starting Defense: Line: George Bryson, Mike Myers, John Crabb, Sid Smith, Gil Powell. Backs: Wayne Holland, Steve Petterson, Craig Haworth, Todd Key, Gordon, Farris, Fred Brady.

Row 1: Norm Finn, Jeff Rasmussen, Gerry Desmond, Roger Shellhouse, Steve Landis, George Bryson, Randy Christopherson, Bruce Easley, George Hinsin, Dave Johnson, Jim Price, Frank Lee, Mgr. COACHES: Mr. Johnson, Mr. Rowland, Mr. Dixon.

In Milk Bowl action, Jim Price trips this Jordan player, as Craig Hayworth pops him.

BRUINS SHOW PROMISE

The tenacious Bruin defense exhibited its power by starting off the season with two consecutive shut-outs, while the well-balanced offensive attack dominated play in rolling to three consecutive victories. After demolishing Santa Monica, 32-0, in their first game, the Bruins soared to a number one rating in CIF. The Wilson team maintained its number one rating while rolling to victories over San Bernardino, 20-0, and Alhambra, 21-6. Getting their first taste of defeat, the Bruins bowed to a fired-up Redlands team 28-20, though many Wilson ball-control errors contributed to the loss.

Smiling for the camera, Wayne Holland takes off to receive a Fuji pass.

Terry "The Tooth" Dekraai, outstanding in the Redlands game, hauls in another long gainer.

Gordy Farris "rocks out" on another crushing tackle.

Sneaky Craig Hayworth brings down unidentified Redlands player.

John Kahler shows his blinding speed as he sweeps right end for a T.D.

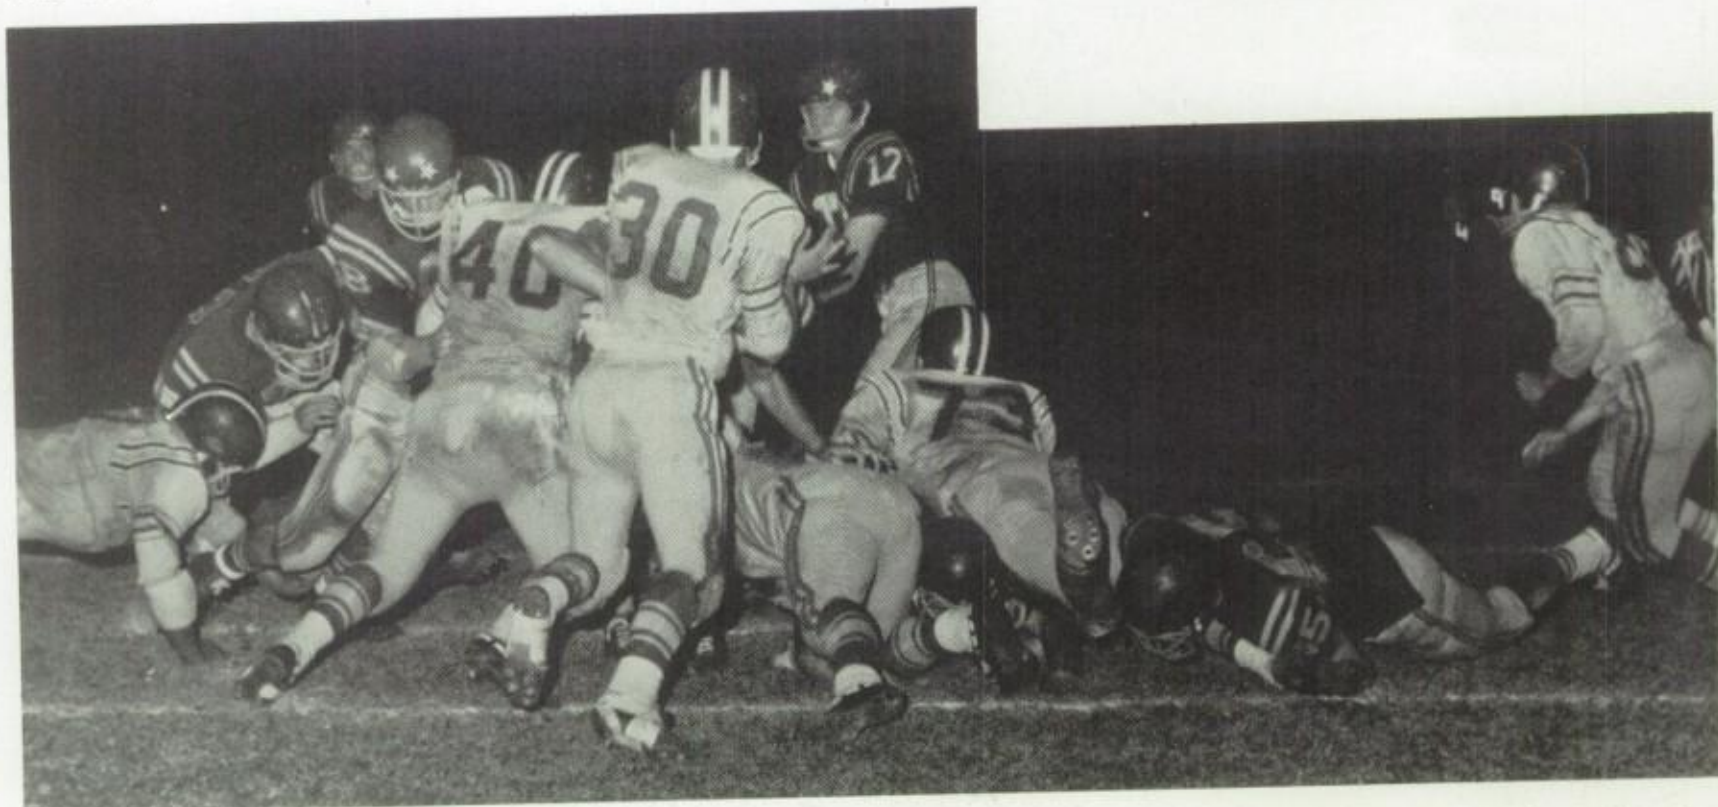

Steve "Sluggo" Landis stops Millikan's halfback, while two additional Bruin's, Greg Conover and Jim Price, move in to add to the punishment.

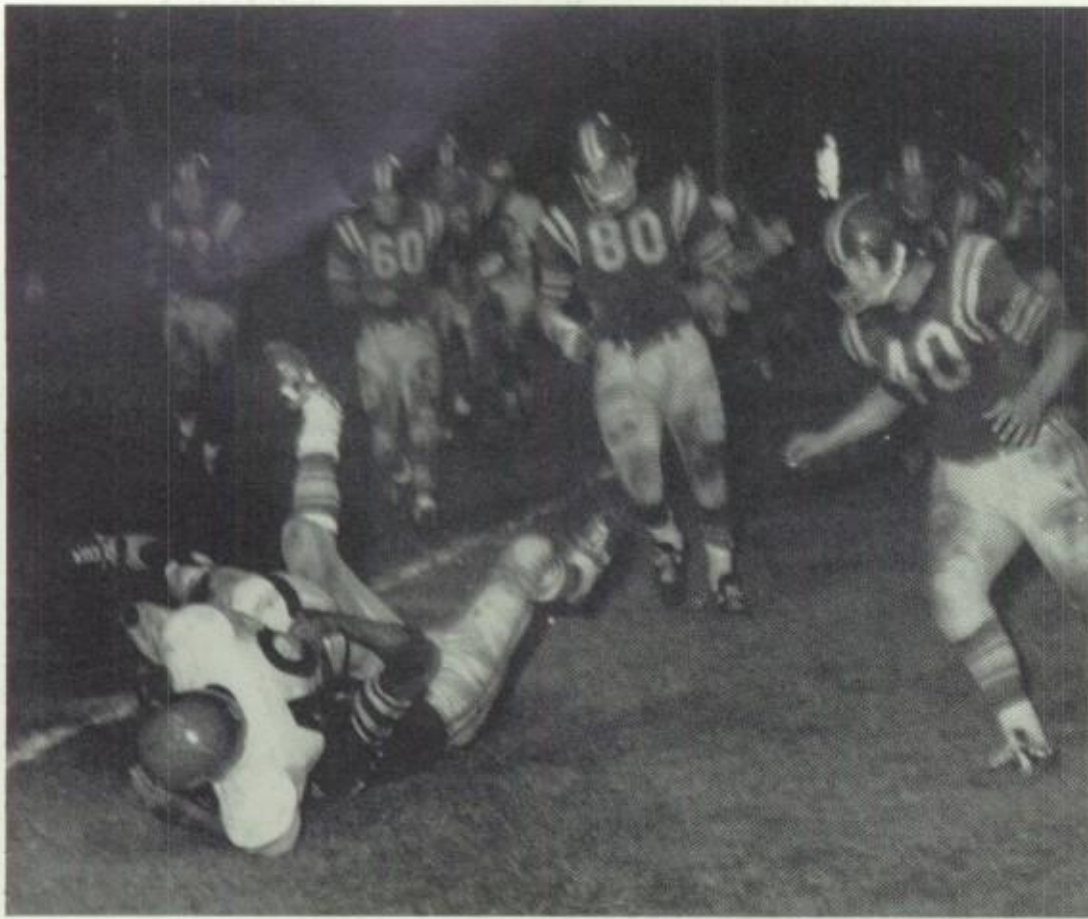

One of the partners in crime, Todd Key, yells to the other, "Hey Craig, wait here; I'll be back in a minute."

BRUINS MANIPULATE MILLIKAN

Wilson captured its first Moore League win, enroute to the league championship; as the Bruins powered their way to a 27-7 victory over the Rams at their field. Despite the loss of star end, Terry Dekraai, and defensive right tackle, Mike Myers, the Bruins were able to score in every quarter, with Tom Kinkade and John Kahler accounting for most of the offensive power. The initial score came as Wayne Holland fielded a punt and returned it 72 yards for a touchdown. Tom Kinkade, Ron Fujikawa, and John Kahler scored in successive quarters as the Wilson offense proved to be too much to contain. The Wilson defense also proved to be too tough for the opposition, holding Millikan to 25 yards rushing.

The Wilson defensive line, which held Millikan to 25 yards rushing, applies the pressure to hold this offensive drive.

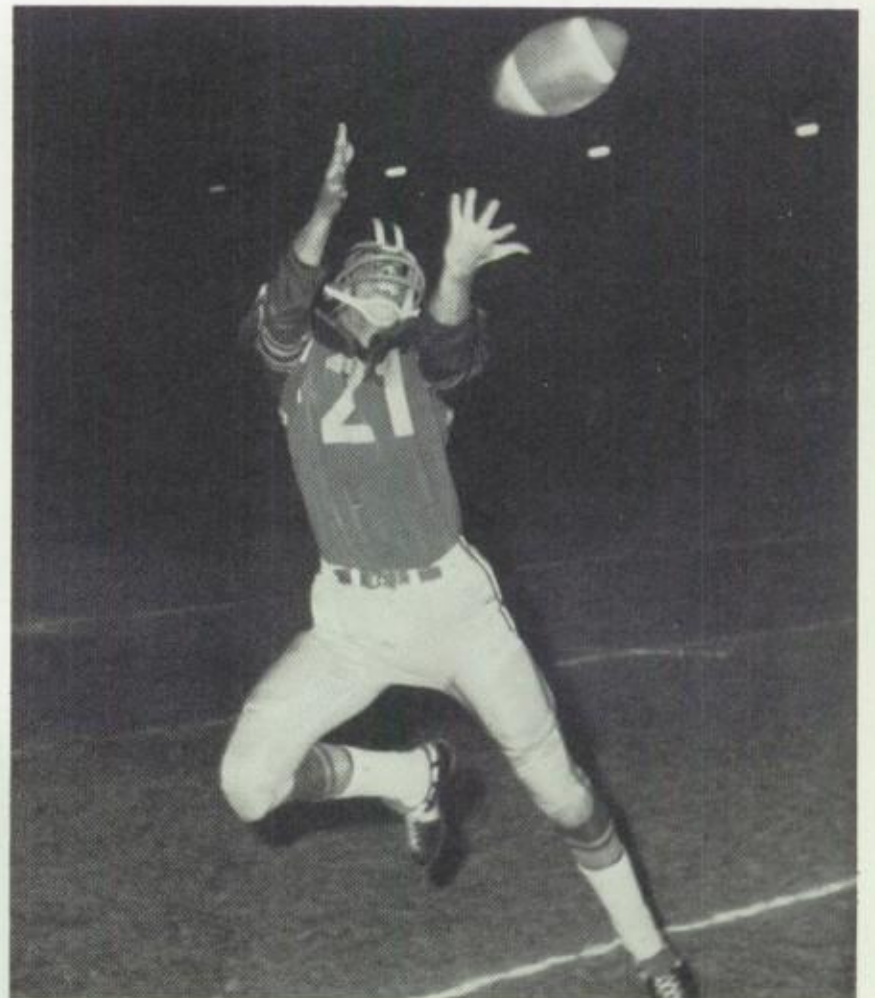

"Rock a bye Gordo", makes one of his kind of tackles, reminiscent of Saturday night.

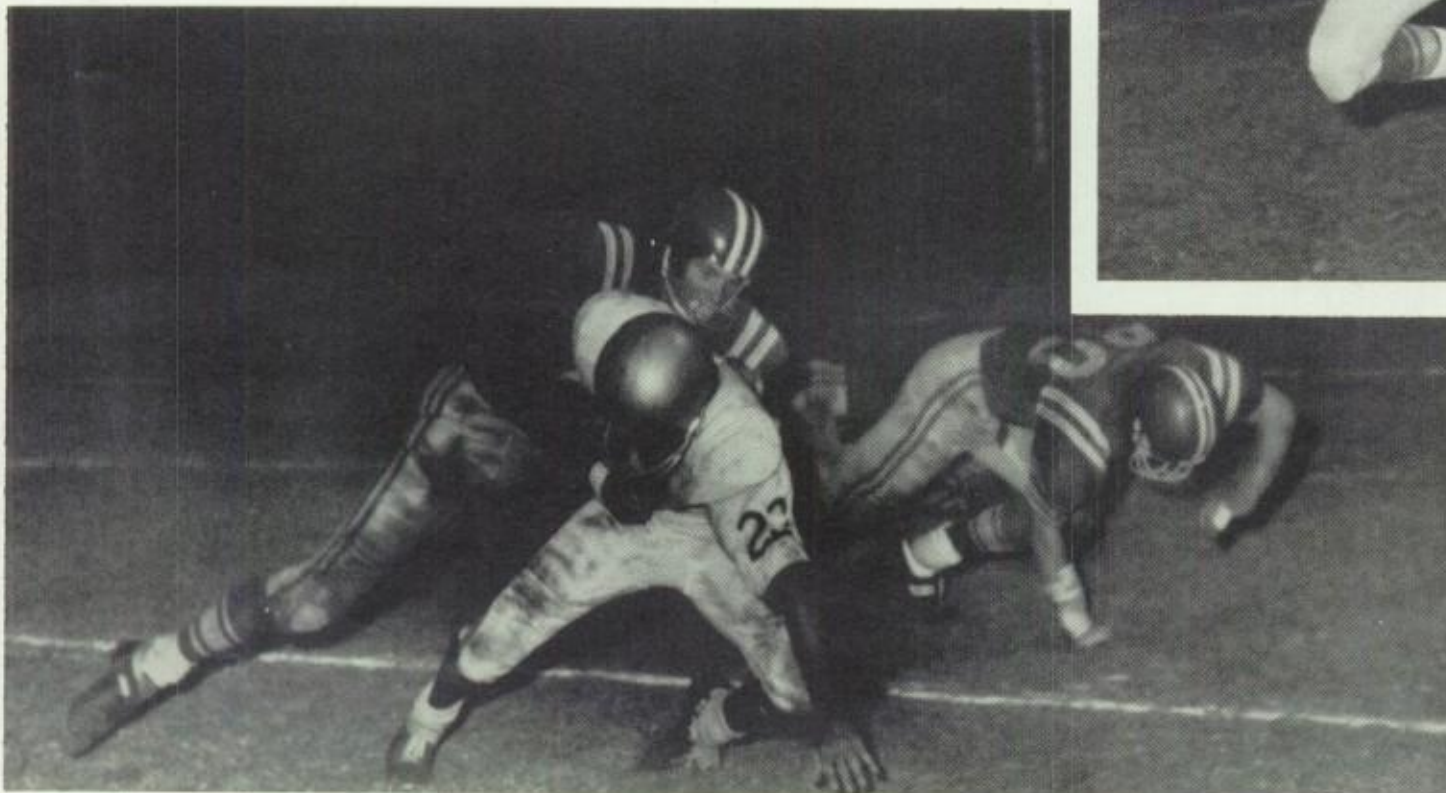

After escaping two hungry Downey players, Tom Kinkade rushes the loaf of bread home to Mom!.

BRUINS DOMINATE DOWNEY

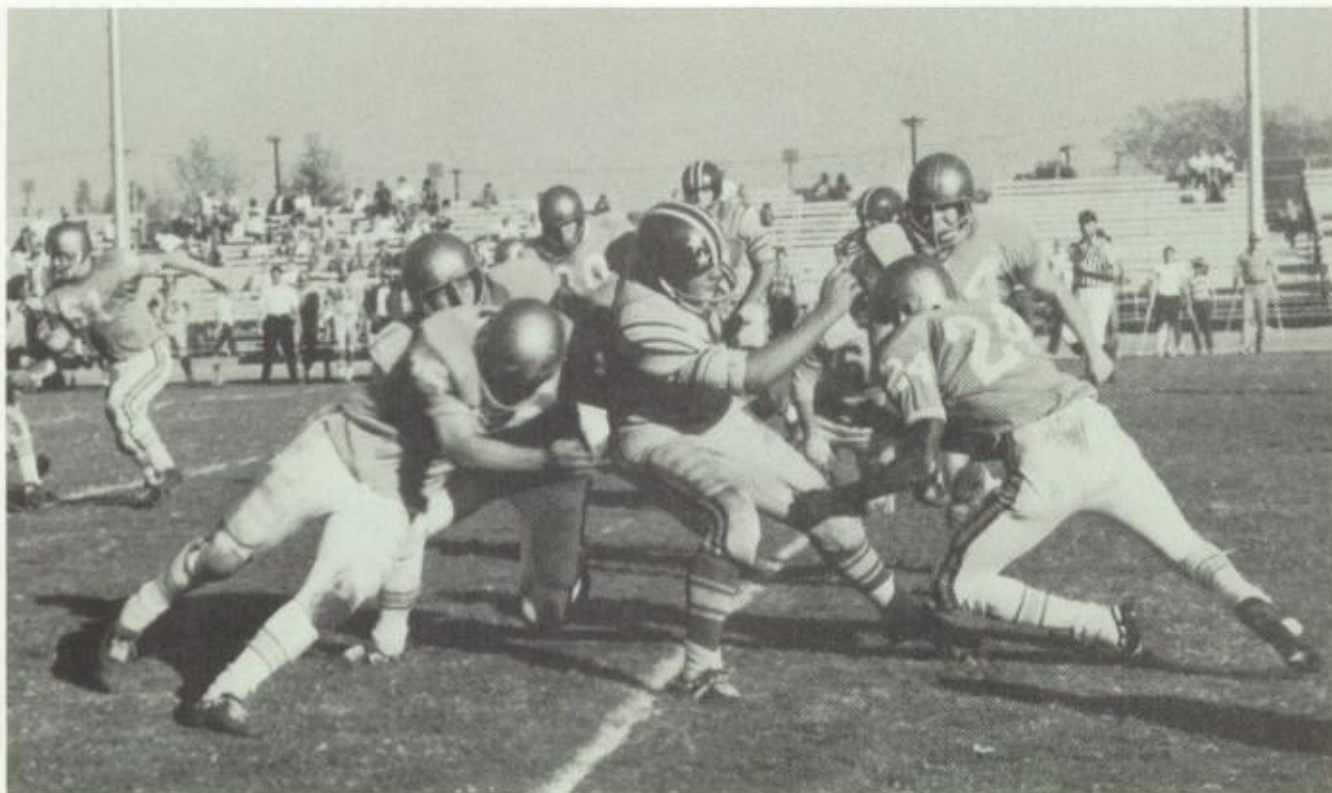

Steam-rolling through the Moore League, the Wilson eleven crushed Downey 31-7 at Stephens Field. The aerial duo of Ron Fujikawa and Terry Dekraai sparked the offense which blitzed through Downey defenses, Fujikawa completing nine of fifteen passes, and Dekraai catching six for 72 yards. The first Bruin score came as Todd Key intercepted a Downey pass and returned it 39 yards for the touchdown. The second score followed minutes later, as Ron Fujikawa hit Terry Dekraai with a 26 yard TD pass. Ensuing in succession, Jerry Leininger, Ron Featheringill, and Mike Coble also scored for the Bruins.

Steve "The Ankle" Sousa is wide open to receive this aerial, good for 15 yards.

Fighting Mike Myers pulls down a Downey player, while Gil Powell demonstrates his free-ex ability for the fans.

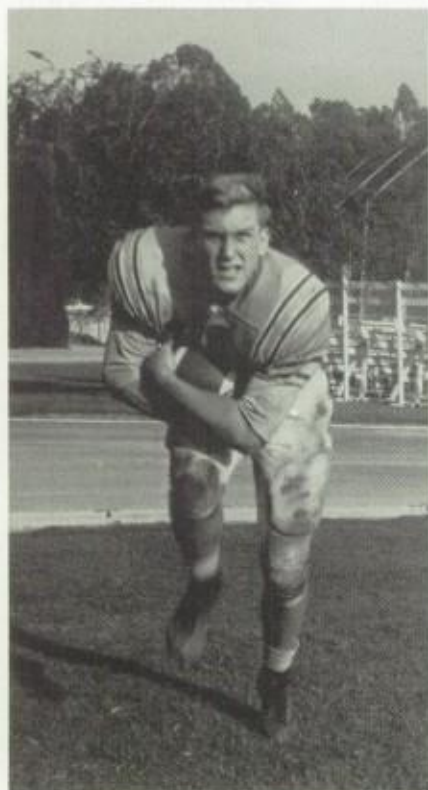

Todd Key is punished to the ground after intercepting number "3" for the day.

BRUINS PULVERIZE POLY

Marching methodically to touchdowns in each quarter, Wilson overwhelmed cross-town rival Poly 27-0, in the 34th "Big Game", played at Veterans Stadium. The Wilson defense, led by Todd Key and his three interceptions, stood like eleven blocks of granite before Poly's offense, and the Rabbits' two belated drives were halted by Bruin interceptions. The Bruin offense could not be contained, running and passing equally well while driving through Poly's defense. The Fujikawa-Dekraai duo was, as usual, spectacular, and with the running of Steve Sousa and John Kahler, Wilson was unbeatable.

Attempting to escape "the hand", Ronny Fujikawa moves downfield for a 6 yard gain and the first down.

BRUINS JOUST JORDAN

Mighty Mite, Wayne Holland, shows his strong defensive ability in breaking up this possible Jordan TD.

Ron Fujikawa applies slight Judo chop to the right temple of this Jordan tackler, and then "bonzais" down field.

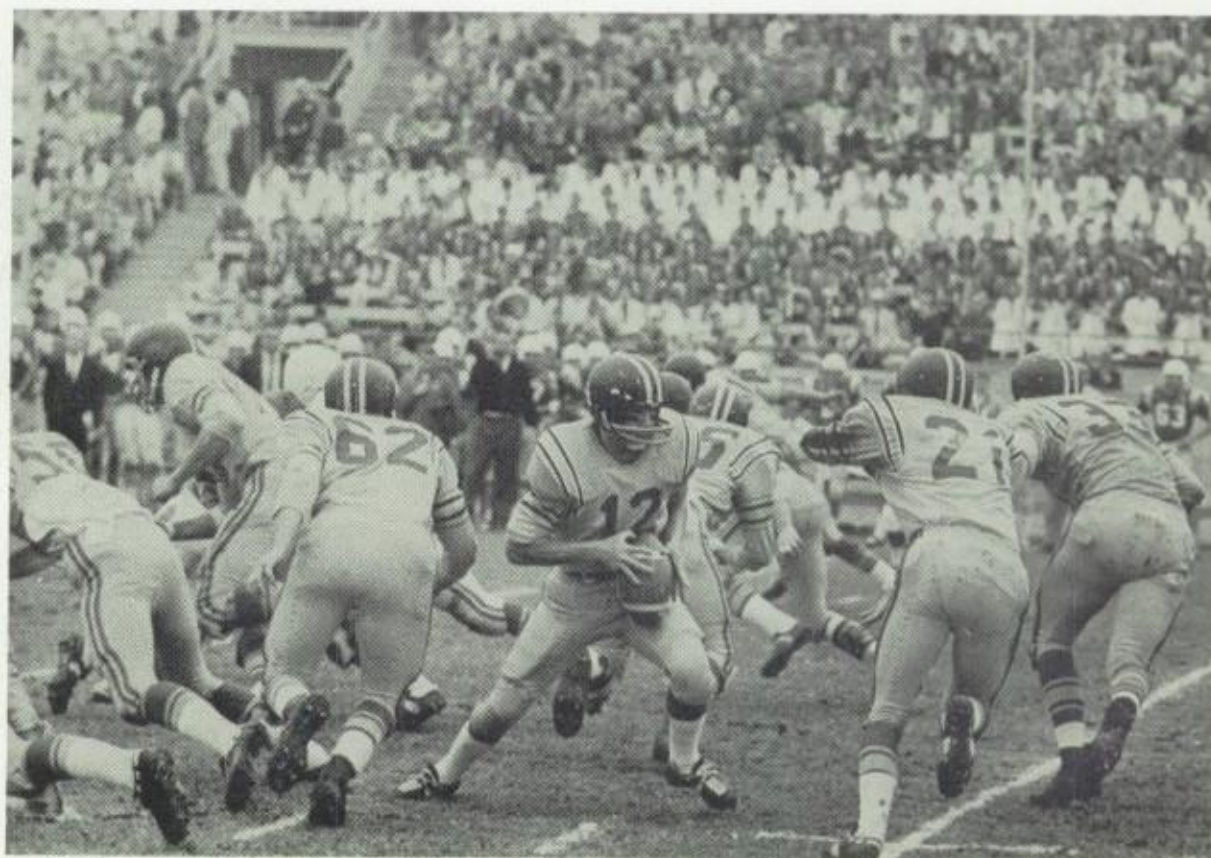

Putting the perfect end to a busy Homecoming, the Wilson gridders stormed over Jordan 33-0, at Stephen's Field. Running and passing with ease, the Bruins ran their league record to 4-0 and set the stage for the showdown with Lakewood. The Bruins played a rather sloppy first quarter and ended a thirteen quarter scoring streak, but finally got rolling when Ron Fujikawa passed to Terry Dekraai for a 38 yard touchdown. After John Kahler and Fujikawa scored to ice the game, Coach Owen Dixon put his second offensive unit into the game. Showing tremendous depth, the second unit performed admirably. Dennis Dummit scored from the one, and Bob Grich hit Monty Cochran on a 47 yard TD bomb to terminate scoring.

BRUINS ELIMINATE LANCERS

Wilson won its first undisputed Moore League varsity football championship since 1961 by defeating Lakewood 24-7 at Veterans Stadium. Outclassing the Lancers in every facet of the game, The Bruins brought Lakewood's undefeated season to an end. Wilson displayed tremendous offensive power, blocking, running, and passing with extreme efficiency. The defense also performed admirably, as they held one of the CIF's better team to one touchdown. Ron Fujikawa, Tom Kin-kade, and John Kahler led the offensive attack which netted 194 yards rushing, and Dennis Dummit played his best game of the year, kicking three for three PAT's, and a 20 yard field goal.

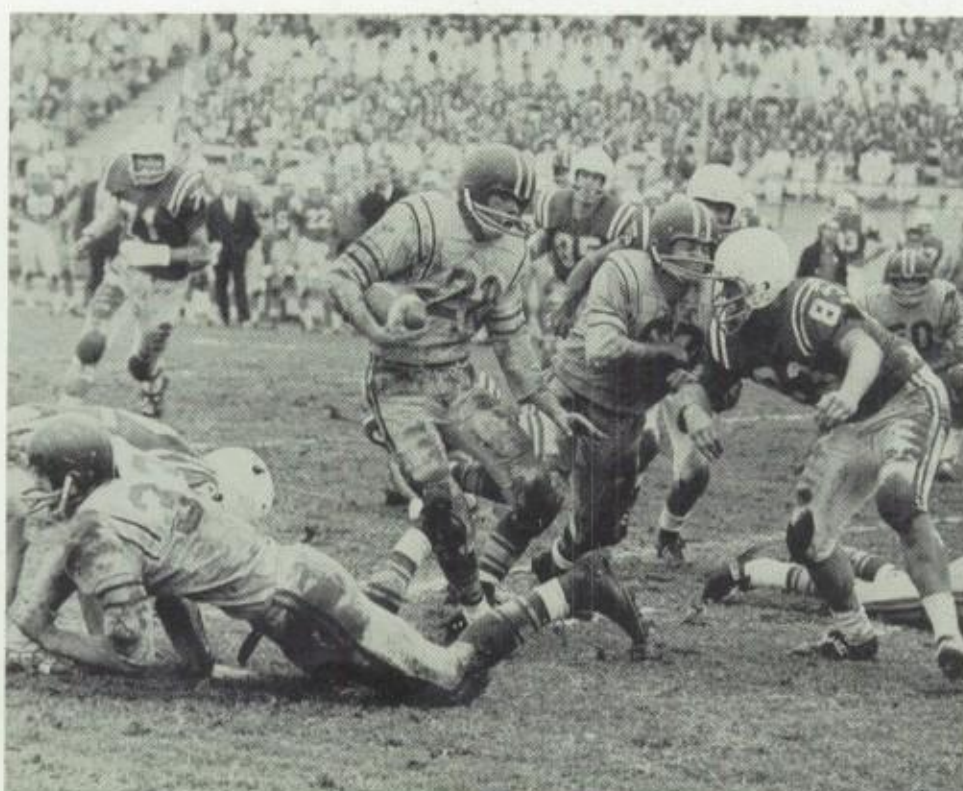

Dennis Dummit displays this beautifully executed pirouette which won him the nickname of—"TRICKY TROY."

During Lakewood game action Ron Fujikawa hands off to Steve Sousa, as John Kahler, Dave Johnson, and Jim Beaman lead the way.

BRUINS DOWN ON DOWNS

After ripping through the Moore League, the Bruin eleven went on to CIF prelims, where they triumphed over Bishop Amat 26-13. Outstanding were Ron Fujikawa, who completed 11 of 14 passes for 138 yards and two touchdowns, and the Bruin defense, which held the Lancers to minus 23 yards rushing. The victory enabled Wilson to move to the quarterfinals and avenge an earlier loss to Redlands. This game proved to be one of total frustration as the Redlands defense hampered every Wilson move. The game ended in a 0-0 tie, but Wilson was ousted on first downs, ending any Bruin CIF title hopes.

The varsity team finished fourth in a tough league, while the junior varsity won their third straight league title. Probably the greatest runner in the school's history, Hartzell Alpizar, again was the Moore League Champion and finished second in the CIF meet.

Coach "Uncle Don" Mulligan was instrumental in preparing "the men" for their rigid schedule. Dedication was exhibited in workouts and summer leisure hours. Rick Maroon and Dennis Reeser turned in fine performances in the varsity league meet.

Frank Brandt finished second in the junior varsity league meet. Steve Kearns, Greg Hayden, Mike Maron, and Dave Baldwin demonstrated their aggressiveness and consistency.

The 1965 season was one of the most successful in recent years for the varsity. The talented Bruins compiled an overall 13-4 record, losing to the CIF champion Corona Del Mar and the runner-up El Segundo teams. The third loss was to powerful Downey in a close and hard fought battle for the Moore League championship. The season's highlights included winning the Anaheim Tournament, Robin Durnin's selection as the Outstanding Player of the Tournament, and the defeat of Millikan and Poly for the City championship. Outstanding players for the Bruins were Robin Durnin (All-League, All-City, Most Valuable Player), Lonnie Valentine (All-League, All-City, Most Inspirational Player), Dave Geer (All-City), Steve Clark, Ed Shaiman, Mark Mosko, Mark Burton, Jon Kiddie, and Jeff Losch.

BEST SEASON EVER FOR BRUIN FIVE

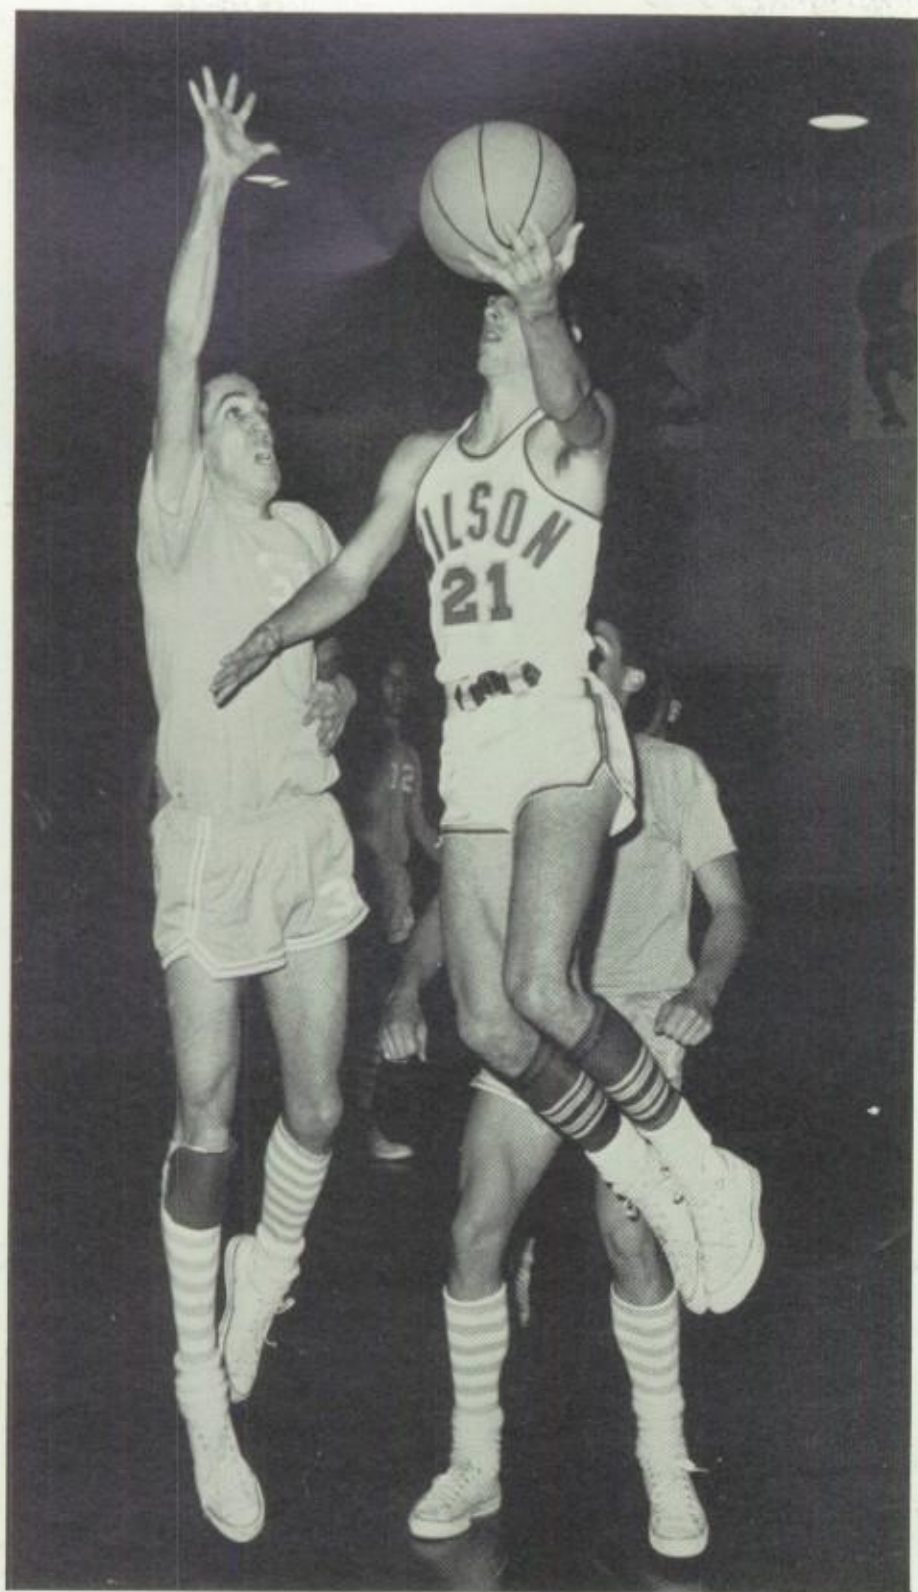

Under the excellent coaching of Bill Fraser the 1966 Bruin basketball squad raced to a 19-7 season record, best ever for a Wilson basketball team. The Bruin team finished League play with a 7-3 record, tied for second with Millikan. Although rated as one of the CIF's top teams throughout the season the Bruins were denied the CIF playoffs when they fell to Millikan 63-62 in a post-league playoff. One of the season's highlights came when the Bruins captured the Norwalk Tournament. The Bruins were led by the shooting of Rick Hubbell (All-City, All-League) and Steve Sagehorn (All-City), the muscle of Sid Smith (2nd team All-City), and the hustle of G. A. Dirk (2nd team All-City), and Bobby Grich (2nd team All-City).

Wilson High, a perennial baseball power, looks forward to another successful season. With many outstanding stars, the team should capture the Moore League title. CINDERMEN DETERMINED

The greatest Wilson distance star, Hartzell Alpizar, finishes well ahead of his opponents.

With a determined spirit, the Bruin cindermen look ahead to a successful season. Lacking over-all depth in sprints and hurdles, the Bruins will rely on their powerful strength in distance and field events. Team leader and sensation, Hartzell Alpizar, as well as Denny Reeser, John Faulkner, Rick Maroon, and Denny Campbell, promise to assault the distance events and records. Alpizar, a CIF finalist in 1965, looks forward to a CIF record in the mile or the two mile.

In the field events, Chris Gibson shows signs of attacking the broadjump crown, since being a CIF finalist in 1965. Rick Hubbell, G. A. Dirk, and O. S. Sprague will exhibit their fine highjumping ability in one of the stronger events.

The excellent direction of Coaches Don Mulligan and Bill Fraser, plus the ability and spirit of the team members, should bring the 1966 Track team to a triumphant season.

SWIMMERS SWAMP THE LEAGUE

The 1966 Wilson varsity swim team was the best the school has ever produced. The Bruin's became the first team in Moore League history to beat Downey and thus assured themselves of the Moore League Championship. Led by stars Robin Durnin, John Kiddie, Steve Clark, Jeff Losch, Jeff Shepard, and Lonnie Valentine, the Bruins steadily progressed to CIF honors.

Rules!

Boys you've gone through:

1. Rick
2. Jerry
3. Craig
4. Byron
5. Larry
6. Kirk
7. Mike

Say Boots!

There's so much to say, I don't even know where to begin. We've sure had a lot of experiences together (an duk). Remember the guys we met, and have gone steady with? (sure) you and Rick, Kirk, Jerry, Larry, Byron, Craig, etc. Boy! Those gonna have lots more of them this summer. I can know, it seems that we've shared almost exactly the same experiences with our boyfriends? They've all gone to Trump. But we won't let it happen again. Now that I think back about our little fights we've had, it seems so funny. I hope the wheat is working on our bodies. I sure hope you and Rick get back together real soon, you guys looked so darling together. You and Rick were meant for each other. And as Margaret says "if it's meant to be, you'll go back." (Great words of wisdom, huh?) I hope we make STO, especially you, I know you will. No big thing for you. But won't

you be heart-broken resigning from
Delta? Remember those groovy cruising
days? We sure met groovy guys.
Don't worry about Rich wanting
Shelley for his walking partner.
Shes the big thing. And besides you'll
find some really groovy guy to
march up that aisle (remember how stupid
(of graduation that is). I am? I can't even spell)

Donna, I want
you to cool it with the cigs
and booze after all, you're not
in SFO yet. You're a really darling
gal, sweet too. And I'll always
remember you as my bestest
buddie. Always. I have a funny
feeling that this is gonna be
a summer that the both of us
will never forget. We're gonna
rock-out (this is the rumor).

The days we spent in homemaking
(sure) were sure educational. Our
little sewing circle more less
a gossip corner. We sure
learn lots. Huh? Don't worry when
you come back from the service,
I won't be married to any
gas station attendant, and if I
do get married, it will be Mrs. Steve
Helm or Mrs Bob McWhorter. Doesn't
that sound pretty? Jazz. I wish
you all the luck in the world
in becoming an English teacher
and I'll know you'll be one.

elp I keep eating water-on, I'm
 not gonna be able to fit in our
 sink, So please let's not have
 any more fights Okay? I'll
 always remember Beulah's "Happy
 Birthday to you." And Walter "humbus"
 better sign app, since your so
 popular with the groups of socialites.
 Be good. As I said before, I'll
 always remember you as my
 bestest buddie.

Well kid I sure I'm glad we met. Even if it was under undesirable circumstances (Miss McDaniel class). Man you sure rock-out on the valley-hall court. Especially when ya make that classic running serve. Good luck with that guy in French - if ya like him still! Man I can't believe some of the times we've had together in gym. Like the time I came up with the Deainstorm to not dress and we had to wait all period! Oh well!

But say ya cat got at least you devoured my Candy twice at least. Some friend ya are. ~~Oh~~ Oh ya your a real good artist too - you bet - Remember drawing Surfer Joe on the board! Ha-ha.

Well kid good luck with your love-life. I've really enjoyed knowing you - your personality really rocks out - And ya got a lot of class. Please stay as you are always! Stay out of trouble this summer - I'll bet you will ~~to be~~ but I won't be here next year. Well kid so long. Love Always - Chris -

Dawna,

Its really been fun with you this
year with the exception when you
called me the "stien" of AMI. I know
that you are jealous because you are
not in AMI, thats why I didn't get
mad! Seriously, your a real sweet girl(?)
And maybe some day you will catch
some nice boy like Jerry letel! (you
have been chasing him long enough!)
Really though, I hope you have a
real nice summer and I hope your
senior year is the best!

AMI

Love ya,

Nancy Fidler

Rules!

Donna -

All I can really say is that
for some strange reason I'll
be seeing you this summer. I
know you won't be too hard on me.
Best of luck kiddo.
